ROUNDAABOUT

# COME IN, WE'RE OPEN!

**Welcome to Christmas at Magic 2018,  
where a world of food, drink and  
entertainment awaits.**

Located above Old Street tube station, literally in the middle of the roundabout, The Magic Roundabout offers a truly unique event space that is sure to surprise and delight your guests. The venue benefits from four bars and two award winning street food traders a dance floor and amazing décor, all within a tented, heated space.

**WINNER OF:**  
'DESIGN MY NIGHT' BEST OUTDOOR VENUE IN SHOREDITCH 2015/16  
'DESIGN MY NIGHT' BEST ALL-IN-ONE VENUE 2016/17

# THE VENUE

It may be winter in London, but its smokin hot in our little slice of South America! Our main dancefloor will be turned into the town square where its a fiesta every night. Expect beautiful bright colours and patterns galore.

With an overall capacity for 500 guests and three semi-private areas suitable for groups of 30 up to 150 guests, Magic is sure to have a space that is just right for your party.

Main Dance Floor

The Chapel

## The Chapel

This area holds up to 150 guests, has its own bar and offers casual seating for your guests. It can be roped off from the rest of the venue and contains its own smoking area. Using the tables immediately in front of this area, we can increase capacity to 200 guests. This area will be decked out as a Romeo and Julietesque chapel, complete with confessional, stained glass and a shrine. Perfect for sinners and saints alike!

## Frida's

Suitable for up to 125 guests with its own bar, fully covered and heated. Frida's is our onsite cocktail bar and quite possibly, the cosiest! It offers a combination of booth, low level and dining table seating and the decor will be inspired by Frida Khalo's iconic home in Mexico; think bright blues, cactus, and art, lots of art!

## La Bodega

Right next to the DJ booth and with great views over the dancefloor, the Bodega comfortably accommodates up to 35 guests with seating for up to 20 guests. This area is being transformed into the town's bodega- the place for a bargain and a gossip... or could it all be a front for something a little naughtier...

Our world-class sound system ensures the party always goes with a bang and our fully kitted out DJ booth means there's no need to hire in kit.

At the Magic Roundabout our music speciality is house and disco but we work with some of the best DJs in the industry so whether you'd like to hear all the Christmas party classics or you're looking for something more niche, we'll have a DJ that will be sure to fill the dancefloor.

We can also supply a huge range of additional entertainment, including:

Photo booths • Burlesque dancers • Glitter Girls • Vodka Luge • Circus acts • Giant Games • Snow machines!
